Subject: Request to Withdraw from Sixth Phase Training

Respected Madam,

I hope this letter finds you well. I am writing to **formally request my withdrawal from the Sixth Phase training program**. While I appreciate the opportunity to participate, my **primary interest lies in Artificial Intelligence and Machine Learning (AIML)**, where I aspire to build my career.

Additionally, I am planning to **pursue my master's degree** and I believe that focusing on **related learning paths will be more beneficial for my future**. The current **DSA (Java)-focused training does not align with my career aspirations**, and I would like to **dedicate my time to the things which help me in build my career**.

I kindly request you to **process my withdrawal from the program** update my records **and** accordingly. Please let me know if any formal procedures are required from my end to complete this request.

Thank you for your time and consideration. I look forward to your support.

Sincerely,
PAYYAVULA MOKSHAJA SREE RAM
